Bluegrass, old-time, and folk music lovers alike can't get enough of 2025 IBMA Momentum Band of the Year Nominee, the Burnett Sisters Band, as siblings Anissa, Sophia, and Anneli from Boone, NC along with Geary Allen from Minster, England are all gifted multi-instrumentalists who are well-loved in the traditional music circuit.

The Bluegrass Standard writes, "With more than a decade of playing music, the Burnett Sisters Band takes their harmony and musicianship across the world... this enthralling group presents a unique blend of traditionally rooted music, influenced by bluegrass and classic country music greats alike".
